Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.
(Dr. Raven Ledner)

America Star Books, United States, 2011. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I have been writing poetry for a long time. The poetry I have written has been primarily simple rhyme with a spiritual message. As a result of publishing just simple rhyme I have not been taken seriously as a poet. One critic suggested that I probably did not even know that an iambic pentameter was poem with ten meters of verse in it. Styles in Poetry is my answer to my critics. It has sonnets written in tetrameter, some in pentameter, and Limericks, ABC poems, Acrostics, one Pindaric ode, and free verse poems, as well as a few simple rhyme poems. There are also Japanese Haiku, Senryu, and Tanka poems included.
