Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Decade of Christian Endeavor: 1881-1891 A principle or an organization commands loyal advocates in proportion to its inherent importance or moral power. A successful enterprise needs no champion. Its achievements are its best apologetic. The writer's first experimental knowledge of Christian Endeavor, both as a principle and as an organization, was during the sixth year of his ministry in a Connecticut pastorate. A revival of marvellous power had visited two village churches in union work. Two hundred souls were converted. The ingathering of new disciples was large. The problem of their spiritual nurture was similar to that which confronted the author of the Christian Endeavor movement five years earlier. The work wrought by the Holy Spirit was deep and abiding. The new-born love and desire for service were ready to respond to a high standard of devotion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
