But reporter Faith Vedder turns up at the worst times, including Danny's near assassination. He's had enough of her interference and requires her source of information. Faith won't tell him anything that compromises her Pulitzer-worthy story, not even under the magic of hot attraction. She doesn't know she's surrounded by fallen angels at war. Danny's not finished making demands. She doesn't understand until a giant, snorting, winged monster slobbers down her back, threatening to flay her. The gangbusters can't delay their mission to shut down gangs until Danny learns the new criminal kingpin of their world is a man who once held Faith's heart. In the guise of a gangland executioner named Heretic, Danny will destroy him. Even if it destroys Faith. Angels are watching. Demons are plotting. Faith is the key. Note: This book contains adult language used as profanity. \*\* A BookStrand Mainstream Romance.
