Why Not Me?: The Battle for My Life and My Baby

By Mandy Mcmillan, Lesley Roberts

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Why Not Me?: The Battle for My Life and My Baby, Mandy Mcmillan, Lesley Roberts, Mandy McMillan was not a fighter. She was ordinary: a hairdresser, a party girl, a bit of a coward when it came to all things medical. The worst she'd ever fought was a cold. Then she was diagnosed with breast cancer at the age of 27 - the second in her group of five friends to be struck down by the disease. She'd had a one in 1,900 chance of getting it. Her cancer was incurable; chemotherapy almost killed her, her body was so ravaged that she almost gave up, but Mandy battled on. Her one stroke of good fortune? The arrival of new wonder-drug, Herceptin. Then a miracle happened: Mandy gave birth to Britain's first Herceptin baby, a little girl conceived, carried and born to a mum on long-term treatment. A drug saved Mandy McMillan, now a daughter called Holly is keeping her alive. And she will fight every single day to see her child grow up.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Keanu Johns

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.

-- Tobin Lesch
