Brand New Book ***** Print on Demand *****.Excerpt from *The Morning Star or Way-Side Musings: And Other Poems* The story of this Little Book is very soon told. Twenty-five years ago, the subject first suggested itself. The course of thought, in its general outline, was determined on; the title selected, and the opening lines, as they now stand, were written. It was to be, literally, *Way-Side Musings*; for those lines were written - as, indeed, I expected the whole to be - during the course of my daily walk of three miles, to and from the school I was then teaching. How well do I remember turning aside, and resting my little blank book on the top-rail of the worm-fence, by the road-side, as I hurriedly dotted down my thoughts. I was younger then than now: and supposed that I could finish my Poem, before my six months engagement as a Teacher, had expired. But I retain the Title still; for I confess to a fondness for it which it would be false to deny, and foolish to attempt to conceal.
