By Mary Whyte

Artist Mary Whyte has learned many lessons over the years - lessons about art and, perhaps more important to her, lessons about life. In this book, she uses specific illustrations from her training, her teaching, her travels and her mentors to show the reader how to see and how to appreciate the artists experience. Referring to numerous color and black and white examples, she explains what her intentions and feelings were during the composition and completion of many of her favorite works. The techniques of watercolor painting can be learned. Skill, according to Mary, is never enough. One must learn to feel as well as to see in order to become a complete artist and a complete person. Her paintings are beautiful; so is her soul. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
