## THE NIGERIAN-NORDIC GIRLS GUIDE TO LADY PROBLEMS

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. What s a Nigerian-Nordic-American girl to do when she develops fibroids in rural Iowa? Battle the American health-care system or summon Nordic mythology and traditional Nigerian medicine? While at the renowned Iowa Writers Workshop to write a book about meeting her African father and siblings as an adult, Faith Adiele develops a medical condition that can be interpretedand treatedcompletely differently according to her three cultural backgrounds. Frustratingly, each tradition suggests that Adiele herself is responsible for her condition (and potential barrenness) for having violated gender or racial norms. While wittily detailing her struggles with doctors determined either to remove her uterus or to use it as a Midwestern teaching tool, she draws parallels to history: her Nordic family s immigration experiences, her Nigerian family s independence struggles, and the fate of women, the poor, and folks of color in American medicine. Award-winning memoirist (PEN Beyond Margins Award for Meeting Faith; Millennium Award from Creative Nonfiction) Adiele takes a clear-eyed, sharp-tongued look at healing, from Western science to a good metaphor to Nigerian healers advertising the cure for lady problems. Faith Adiele s memoir, Meeting Faith, about becoming the first black Buddhist nun of Thailand, received the PEN Beyond Margins Award for Best Memoir. Her other honors include the Millennium Award from Creative Nonfiction and 15 writing residencies in five countries.
