

eBook Publication for Training: A Guide to Creating the Digital Reference Bookshelf for Today's Organization (Paperback)

By Joel Zarley Zarley

Purple Palm Media, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.One of the hottest topics in personal technology right now is eBooks and eReaders. (Amazon now reports selling more eBooks than printed books.) But, how can this technology apply to workplace learning and performance? Training groups have long published user guides and training manuals, but now eBooks can change the way we design and distribute these materials. This book explores the different formats of eBooks; covers the workflow of publishing eBooks using low-cost tools; and explores how the most popular eReaders can be leveraged for learning content in your organization.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
