The kids. us Internet domain concept is a landmark one. Never before has something like this been tried in the . us space. It is an excellent idea, a sound concept. Right now, kids. us offers a fun, interesting, educational content for which NTIA and NeuStar should be applauded. We should also thank Mr. Dingell and former Chairman Tauzin for their strong support as this legislation came through this committee. Their tireless work to provide children with a safe Internet playground will be appreciated for years and years to come.
