You may be one of the many people who are likely to utter the words such as cheap lifestyle, miserable life, boring, or unhappy life. However, frugal living does not mean any of those words. It is not a miserable way of life because it is a choice in the first place because no one ever chooses to live a miserable life. More so, it is not boring considering the number of meaningful activities one could engage in when living in frugality. And more than that, frugal living does not mean having an unhappy life because it only means finding happiness beyond what money could offer. Surely, money allows you to buy the things you need, or maybe gain significant experiences. However, with the consumerist lifestyle that most people have, there is a greater tendency to consume more, and spend for what is useless in life. Most people do not even realize that there is an abundance of ways to get to experience what they want in life. Instead, they go for expensive materials and buy those with big brand names, or get a luxury vacation package, and then...
