Modern History Press. Paperback. Book Condition: New. Paperback. 108 pages. A thought-provoking excursion to life's last breath Ernest Dempsey's second collection of short stories *The Blue Fairy* takes a subject that has been dreaded for centuries - Death. It is one of the few works of fiction, which neither treats the subject as the D word by bringing in fantasies of afterlife nor compromises the solemnity by trying to evaporate the reality of death in humor. Inspired mostly by real life experiences, Dempsey's *The Blue Fairy* ingeniously integrates dying with living. It is a book for the soul. Ernest Dempsey conveys the freight of emotion with a twist of irony in his first collection of short stories which address the tender lines between life and death. -Victor R. Volkman, host of Authors Access About the Author Ernest Dempsey has authored four books and, in just the last few years, seen the publication of his poems, essays, short stories, and literary reviews worldwide.
