 Edward Snowden first contacted Glenn Greenwald on December 1, 2012, using the alias name Cincinnatus. Snowden is a former Senior Advisor to the NSA, a former Field Officer with the CIA, and a former lecturer for the United States Defense Intelligence Agency. He had confidential information he wanted to share with Greenwald, but would only do it if he knew their connection was secure. Greenwald is a journalist known for his reporting on the wrongdoings of the National Security Agency (NSA). Snowden wanted Greenwald to use PGP (pretty good privacy) encryption on his computer so that he could safely send him some information that he had gathered. Although Greenwald considered adding these extra...
