Taken from Earth Dan Wild is thrust into a life he never asked for and could not dream existed, where Earth s tales and mythology are not just stories told to children but a reality. Trying to get home Dan throws himself into his new surroundings but his new family and friends are not what they seem as the secrets they hold and disclose form Dan s life as a stranger to their world. Challenged with three tasks to uncover a weapon for protecting a land at war, not all is what it seems for Dan as he progresses through his time on the planet Phosia. Learning new skills and talents he didn t know he had, Dan even surprises the Phosians. Meanwhile his bitter enemy known as Darkness reeks havoc on the land out for revenge on Dan for circumstances beyond his control. Introducing the main character, Dan Wild, the story leaves the hero returning to Earth having forgotten his journey to Phosia. However his enemy, Darkness, is now trapped on his planet waiting to be released on an unsuspecting world.
