The 2016 Excel has also been lauded for the inclusion of more advanced integer calculating capabilities. Among these are features such as the Analysis ToolPak and the Pivot Table; enabling users to complete basic as well as more advanced accounting functions with greater efficiency. The Pivot Table feature is designed to allow a user to create tables for summarizing large sets of data; ideal for the preparation of financial reports. Pivot Table Slicers introduce a filter; making the process of working with this data more efficient. The Analysis ToolPak offers a wealth of analytical functions which include working with histograms.
