A Walk Down the Fairway of Value Added Tax: A Practical Guide to VAT for Golf Clubs

By FIIT Ian Fleming

Spiramus Press, United Kingdom, 2009. Undefined. Book Condition: New. 2nd Revised edition. 210 x 148 mm. Language: English . Brand New Book. Revised to take account of the changes as a result of the Canterbury Hockey Club and Ladies Hockey Club case.VAT is probably the furthest thought from anyone's mind as they look out from the clubhouse towards the first tee. But for anyone involved in the administration of golf clubs, and in particular with their finances, grappling with VAT has been a thorny issue ever since it was introduced in the UK in 1973.This book is intended as a guide to the basic rules of VAT as they affect golf clubs for club secretaries, treasurers, finance committee chairmen and accounting practices that have golf clubs as their clients. It highlights many of the most common problems likely to arise in the context of VAT, and offers some practical solutions, such as how to avoid an unexpected VAT bill on a refurbishment of the clubhouse.With this book as a reference, it will be easier to avoid the many VAT bunkers which can create unwelcome and costly traps for golf clubs.
