

Brilliant HTML and CSS

By James A. Brannan

Pearson Education Limited. Paperback. Book Condition: new. BRAND NEW, Brilliant HTML and CSS, James A. Brannan, Brilliant HTML & CSS is a visual quick reference book that teaches all that you need to know to create clean, forward-looking, standards-compliant, accessible Web sites using HTML & CSS. It will give you a solid grounding on the theory, coding skills, and best practices needed to use HTML & CSS to build sophisticated web pages -- a complete reference for the beginner and intermediate user. Summary Brilliant HTML and CSS provides beginning Web designers and developers with the necessary theory, coding skills, and best practices to create clean, forward-looking, standards-compliant, accessible Web sites. The text reinforces the important distinction between structure and presentation and emphasizes the proper application of HTML tags and CSS properties from the opening chapter. Part I focuses on structural development, while Part II addresses presentation topics, and Part III offers advice about common design and navigation problems and the rationale behind their solutions. Upon finishing this book, a reader with no prior experience in Web design and development will be able to build sophisticated static pages. (An ideal companion to this book would be Brilliant JavaScript.) In keeping with...
