Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Loom of Destiny On the ragged skirts of the great city, where a steady stream of lorries and electric cars rumble over the Canal Bridge, stand twenty high-fenced, grimy acres of coal heaps. All day long, year in and year out, the blackened and lumbering coal-carts ply back and forth between those high-fenced acres of bituminous blackness and the switching yard of the railway, stopping only at the weigh scales as they go. As these loaded carts jolt over the stony road, a ragged band of cadaverous and hungry-eyed urchins, trailing behind them ludicrously improvised wheeled things, follow them like vultures, waiting to pounce down on any loose chunk of coal that may jolt unnoticed from the big cart. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
