Rosen Classroom, United States, 2015. Paperback. Book Condition: New. Language: English . Brand New Book. Understanding the principles of base ten is essential to understanding numbers and operations. Students will become familiar with the concept of place value through engaging narratives and real-life situations. Students will then be challenged to use place value in the context of algebraic operations, demonstrating the knowledge theyve gained from reading. Eye-catching visuals help walk readers through the math problems, while age-appropriate language encourages learning. A trip to the farm stands provides a relatable setting for readers to learn the basics of place value. This volume meets CCSS Math Standard 2.NBT.A.1a.
