Brand New Book ***** Print on Demand *****.Gardening For Beginners: Start Your Debt Free And Pesticide Free Natural Life! 30+ Time Proven Tips To Grow Organic And Delicious Vegetables And Fruits! Money and health are two of the biggest struggles people face in today's world. Eating organic food can cost a lot of money, so many individuals and families find themselves fighting to keep healthy food on the table when debt is piling up. What if we told you that you can erase debt, eat wholesome food and even make a profit by simply starting an organic garden? It's true. Organic gardening has been around far longer than the commercial, pesticide-laden farms and factories that produce most of our food today. Not long ago, farmers relied on natural principles and planning to ensure that their crops would grow and flourish. In this book, we've compiled a list of time-tested strategies for growing and eating healthy, home-grown fruits and vegetables. We've covered everything from planning your first garden to collecting your harvest and tons of tips for saving money and even making...
