Creative Teaching Press. Paperback. Book Condition: New. Paperback. 56 pages. Dimensions: 8.8in. x 6.4in. x 0.2in. Going to school for the first time is an exciting, highly anticipated event for both parents and their young children. Though that time may be a year or two away, it is not too early to begin preparing your child for a successful school experience. This book includes quick, engaging practice in pre-reading skills young children need for school success. While these activities may seem simplistic, their mastery is essential. Repetition is key but remember to have fun! Research has shown that the brain is more receptive to learning and acquiring knowledge when not under stress and when a child is not anxious or nervous. Upon your child's completion of each activity, use the provided incentive chart and stickers to track progress and celebrate your child's success. Whether students need extra practice with grade-level skills or a head start on next year, Stick Kids Workbooks offer engaging activities, games, and puzzles that help make learning lots of fun. Each 56-page book features full-color activities, a list of the skills, and an explanation of why those skills are important for development. Also included are helpful tips, an answer key, a handy tracking sheet, stickers for acknowledging achievements, and appearances by the lovable Stick Kids! These right-sized (7 x 9) skill practice workbooks are perfect for use at school, or as entertaining activities on the go. Tuck them into a backpack, purse, or travel bag. Great for school breaks, vacations, and year-long practice. **SKILLS** Visual discrimination Matching Sorting Phonemic awareness Opposites Sequencing **HOW YOU CAN HELP SUPPORT LEARNING** Work with your child in a quiet, calm setting.
