Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

LOS CIMIENTOS DEL CIELO (PAPERBACK)

DEBOLSILLO, Mexico, 2015. Paperback. Book Condition: New. 188 x 124 mm. Language: Spanish . Brand New Book. Tres familias que viven en el Mexico colonial, unidas por relaciones de amor-odio que serviran para construir un mundo de trescientos anos. Un mundo que va mas alla de la Nueva Espana y que nos dara una vision mas amplia de la historia. Juan Miguel Zunzunegui dibuja la caida de los dioses antiguos y la construccion de un nuevo dios a traves de la historia de estos personajes. Amores, desencuentros y muertes recorren esta novela donde tres familias podrian replicarse en el tiempo. Tres pensamientos que se perpetuan, para bien o para mal, hasta nuestros dias. English Description The first historical novella that revolves around the construction of the Cathedral of Mexico. The Foundation of Heaven is set at a crucial time in Mexican history: the construction of the Cathedral. Through the Aguilar, Moral, and Avila families, Zunzunegui takes us on a journey through transition-era Mexico, with his particular style that describes a country under construction. Three families who live in colonial Mexico, united by love-hate relationships that serve to build a world of 300 years. A world that goes beyond New Spain, and which gives us a deeper view of history. Juan Miguel Zunzunegui depicts the fall of the ancient gods and the construction of a new God through the story of these characters. Loves, calamities, and deaths play out through this novel where three families respond to each other over time. Three thoughts that are perpetuated, for better or worse, until today.
