

Arlington National Cemetery: Drawings by Ewan Gibbs (Paperback)

By Richard Shiff

Yale University Press, United States, 2013. Paperback. Book Condition: New. 208 x 150 mm. Language: English . Brand New Book. Ewan Gibbs (b. 1973) has quickly become one of the most exhibited, collected, and admired artists working today. His unique visual vocabulary-self-described as found language -can be clearly seen in his drawings that re-create photographic images, often of major architectural landmarks worldwide. Arlington National Cemetery introduces Gibbs's latest project, eighteen drawings that focus on the gravestones at the United States's most hallowed resting place. The book includes essays that illuminate aspects of Gibbs's artistic practice, including the precise tools and methods that he employs to create his meticulously rendered drawings. A preface by the artist explains what inspired him to explore this American landmark, and the images are presented accordion-style, so that readers may contemplate them as a series.

Reviews

This is the finest book I have got study till now. It usually does not price a lot of. I found out this publication from my i and dad encouraged this book to understand.

-- **Jamil Collins**

Absolutely among the best book I have possibly go through. I have go through and that I am certain that I am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book I have got go through within my personal existence and could be the finest book for ever.
