Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of the Trustees of the Worcester State Hospital, 1934 To His Excellency the Governor, and the Honorable Council: The Trustees of the Worcester State Hospital respectfully submit the 102nd annual report of the hospital together with the report of the Superintendent, Dr. William A. Bryan, and report of the Treasurer, Miss Margaret T. Crimmins, and other statistical information. In the annual report of 1933 certain specific recommendations were made leading to improvements which would improve the situation at this hospital so far as fire risk is concerned. Since that report was made certain changes have been brought about which have taken care of some of these matters. The work of rewiring the hospital was begun during the present year, also the replacement of wooden staircases by fireproof construction. Your board again calls attention to the desirability of beginning a program of replacement of wooden floors in the institution which would make the building fireproof throughout. There is also the imperative need of an adequate fire alarm system in order to permit proper organization of the employees in case of fire. These changes are very necessary if the risk of fire is to be cut down. The board feels that the particular need is the replacement of the wooden floors and earnestly requests that some steps be taken to carry out this program as soon as possible. Such a program would necessarily extend over a period of years, perhaps five, but when it is completed the fire hazard which continues to exist in this hospital because of these wooden floors would be practically eliminated. The board again directs your attention to the need of...
